Growing in God's Grace

CORPUS CHRISTI FOUNDATION

Annual Report 2015

2015: Celebrating Our Catholic Community

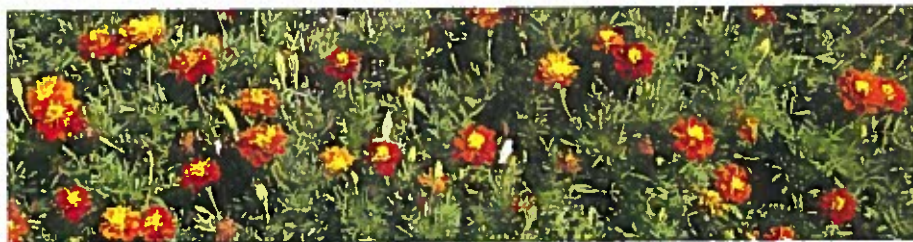

Corpus Christi Foundation was blessed to celebrate various events in 2015. In January 2015, the Foundation distributed \$70,307 to the school and parishes to support their ministries. In February 2015, a Foundation board member reunion was held to bring together past leadership to share our strategic plan and goals.

Our Donor Appreciation Event in September 2015 welcomed 56 donors and supporters for a beautiful sunset evening on Lake Macatawa. It was a wonderful way to continue old friendships and create new ones, as we celebrated our common passion and commitment to serving the Catholic community in the Holland/Zeeland area.

We look forward to the coming years and extend our appreciation to all Foundation supporters for helping us along the way. As we strive for continued growth, we want you to know how much we appreciate your support of the Foundation. As children plant seeds and watch them grow, we join them in our related endeavors. Together we are accomplishing great things! May God bless these gifts, and may they serve to enhance our community of faith.

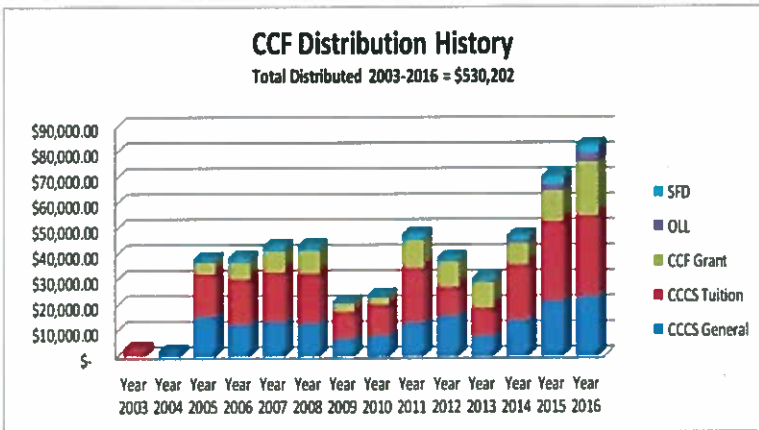

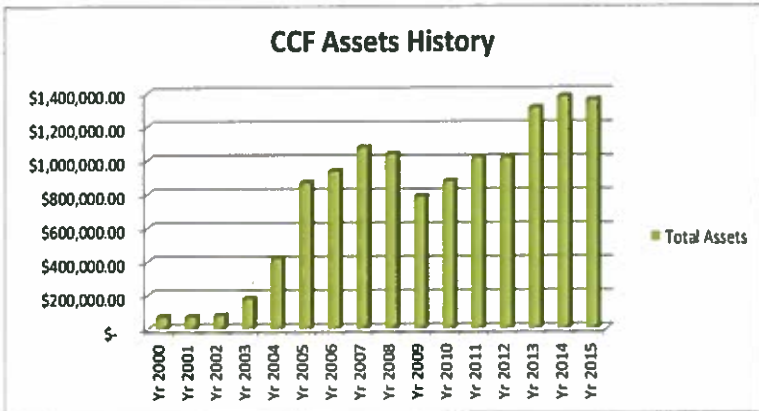

Our Purpose

The Foundation supports the operation, programs, and ministries of St. Francis de Sales parish, Our Lady of the Lake parish, and Corpus Christi Catholic School.

Asset Growth

Foundation assets have continued to grow since our inception. This growth allows distributions to increase as well. Future asset growth will continue to have an even larger impact on our Catholic community. Your generosity to the Foundation is welcomed and greatly appreciated.

The Foundation has a working board consisting of the parish priests, school principal, and local parishioners. Annual operating expenses as a percentage of assets were less than 1% in 2015.

For more information about how to donate to the Foundation or how the Foundation can be included in a will or trust, please contact Paula Lewison at (616) 772-9143. A board member can meet with you to discuss your donation requests.

A Word from Mrs. Jones

The Corpus Christi Foundation continues to be a blessing to the families who attend Corpus Christi Catholic School. Each year, the tuition assistance dollars form the seed of our Nurturing the Spirit of a Child Scholarships. Currently, 80 students receive some form of tuition assistance. As a Catholic community, our goal is to partner with families from Our Lady of the Lake and St. Francis de Sales to make Catholic Education available for all who seek it. The Foundation distribution designated for the General Fund of Corpus Christi is incorporated into the school's annual budget. Corpus Christi receives support from both parishes in the form of a tuition and building subsidy. Along with the support of our parishes and school families, fundraising and major gifts complete the school support. Foundation grants provide essential support for innovative ideas and classroom enhancements not supported by the general budget. Thanks to the 2015 and 2016 distributions, we have been able to add to our classroom and library literature collections. In addition, we have added individual classroom sets to the Our Virtues in Christ program. We count the Foundation among our many blessings in helping to shape the hearts, minds and moral fiber of our students.

Principal, Corpus Christi Catholic School

General Fund Distributions

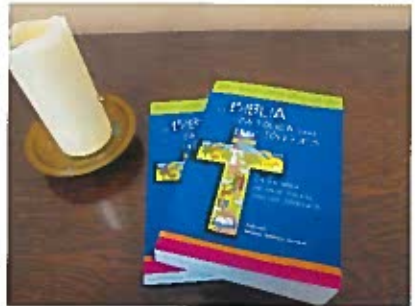

Following are a few of the ways Foundation grant funds have recently blessed our Catholic community:

Corpus Christi Catholic School used grant funds to purchase greenhouse materials and expand the school garden. Students plant and care for the garden. Produce is donated to the St. Vincent de Paul Center in Holland.

Our Lady of the Lake purchased a Bible study DVD set initially used by a Men's Bible Study Group. The set will also be used by other study groups and be available to members of either parish through the Our Lady of the Lake library.

St. Francis de Sales purchased 55 Bibles translated into Spanish for adults. These Bibles will be used in the parish family program and in parent meetings to help people feel more connected to the Scriptures.

St. Benedict Forum has been and will be using grant funds for several speaker events at Hope College. These events are for college students as well as the general public. A recent such speaker event focused on Pope Francis' encyclical on the environment.
